LUXURY SALON & MEDICAL SPA STUDIOS

With AREA, starting your own business is simple, profitable, and incredibly rewarding. Your success story begins here.

Minimal Financial Commitment

No build-out required so you can focus on building your clientele, purchasing supplies, and marketing your services without worrying about significant upfront costs. Plus, you don't pay until you're fully licensed!

Profitable & Rewarding

Enjoy the benefits of owning a brand and business that's truly yours. Watch your hard work turn into success, all while building a loyal client base.

Full Flexibility

Enjoy the freedom to set your schedule, pricing, and services. Customize your studio space to reflect your unique brand and style. And with our multi-station studios, you can even build a team!

Luxury Environment

Impress your clients from day one with our beautifully designed studios. Created by stylists, for stylists, our spaces are the perfect blend of luxury and functionality.

Increased Earning Potential

Our studios are designed to make launching your business seamless and our model enables you to keep more of what you earn. With fixed costs and the ability to rent out chairs or sell retail products, your profitability can soar.
